To Whom It May Concern:

The Florida Lions Camp Haunted Trail is one of our major fundraising events of the year. The attendance of last year's two night event reached over one-thousand people. The Haunted Trail is made up of different haunted house scenes and also includes an Enchanted Forest and Carnival for the younger crowd. This year the Haunted Trails' *Camp Chaos* presents *Feuding Kingdoms*. The Haunted Trail will not only have the two trails with menacing dungeons, dragons, and much more; but it will also be open for two full weekends instead of one, October 23-24 and October 30-31. Along with the horrifying trails we will also have the Enchanted Forest and Carnival complete with games, prizes, and food for the younger crowd.

Our Haunted Trail has been a great success in the past due to donations from people and companies like yours. We need sponsors for our scenes to make this another successful year for the Haunted Trail. The cost to sponsor a scene is \$300; or you may jointly sponsor a scene with another entity for \$150. Your sponsorship will provide funding to produce a scene in our Haunted Trail, along the Enchanted Forest, or Carnival booth. We will print a sign with your name, business name, or organization's name and place it in an appropriate scene in the area of your choice – Haunted Trail, Enchanted Forest, or in the Carnival.

If a sponsorship donation is not possible we would also appreciate any volunteer support or material donations that can be used throughout our Haunted Trail including costumes, decorations, prizes, etc.

Well over fifty percent of our funding comes from events like the Haunted Trail. Therefore you can see how important your donations truly are.

The Florida Lions Camp cannot thank you enough for your continued support.

Sincerely,

Jessica Velazquez
